LUXURY FLOORS & PAINT

NOVEMBER 2026

MATERIALS FOR A CONSIDERED HOME

# The Collection

Flooring / Wall panels / Vanities / Countertops

17 collections. 139 colors and finishes.

Georgia

# Beautiful rooms. *A calmer process.*

## Luxury flooring and painting for fine Georgia homes.

We bring samples to your home, put every room in writing and protect the spaces around our work. One point of contact, clear communication and a final walkthrough together.

Call or text for a quote. Reach us early and we can often quote the same day, otherwise by the next day.

### CHOOSE IN YOUR OWN LIGHT

Printed and on screen colors can differ from real materials. Use these pages to gather ideas, then choose from samples at home. Supplier specifications are confirmed for your selection before ordering.

### 01 Private consultation

A quiet first conversation about the rooms, the look and the timing.

### 02 In home samples

The showroom comes to you, so you choose in your own light.

### 03 Written scope

Every room, material and detail on paper before work begins.

### 04 Clean install

Protected rooms, tidy work areas and one point of contact.

### 05 Final walkthrough

We walk every room with you and finish anything you notice.

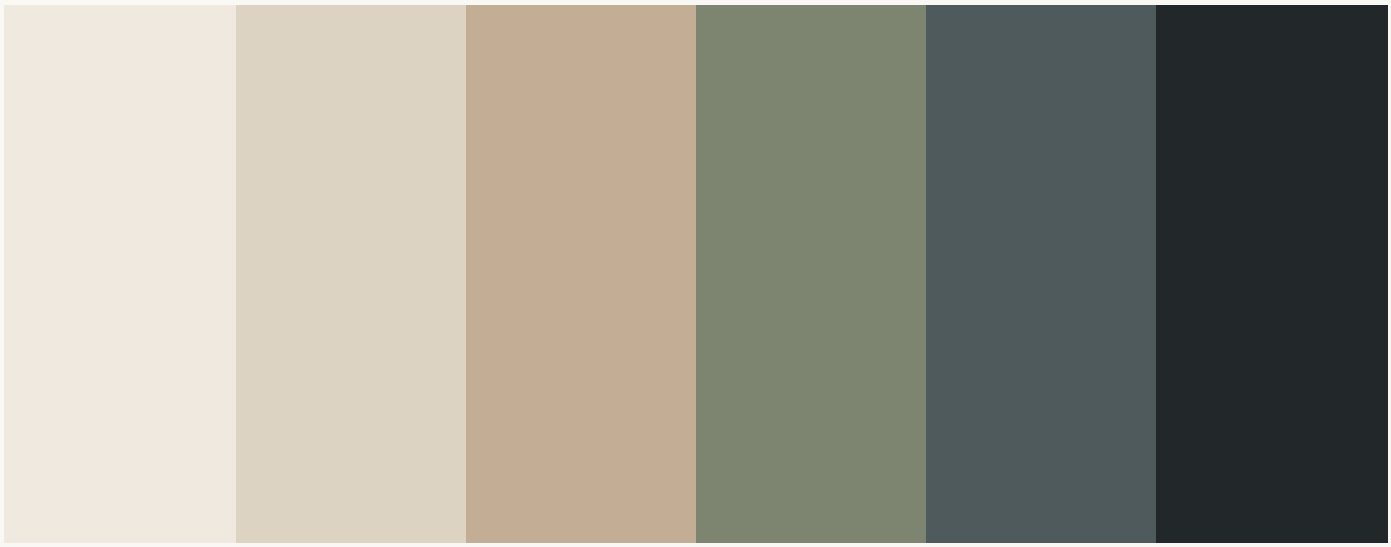
# Color, *considered.*

Quiet tones. Beautiful light.
A finish that belongs to the room.



### Linen
Soft white for trim and ceilings

### Oat
Warm walls that hold daylight

### Clay
Quiet warmth for living rooms

### Moss
Studies, libraries, cabinetry

### Slate
Front doors and shutters

### Ink
Window sashes and iron details

## Color, decided at home

We bring color samples to the house and look at them on your walls in morning and evening light before anything is ordered. These six tones are a starting palette. Final colors are always chosen from real samples on your own walls.
